

2021 Iowa Renewable Fuels Summit “Trade Show” Registration

This year, our trade show is going to look a little different. While the nature of a virtual Summit prevents us from hosting an in-person trade show, we are offering exhibitors a unique opportunity to bring the trade show booth directly to the Summit attendees through a post-Summit mailing.

As an exhibitor your company will have the opportunity to submit marketing materials (brochures, pamphlets, one-pagers, etc.) to IRFA to be included in a mailing we will send to all Summit attendees. We will also feature your company logo and website link on a trade show exhibitor collage on the Summit website.
